

Laundry

- Each week wash all the dirty laundry including paint shirts and towels. Sort, fold and return them to the class on your next class day.
- Once every month take home and wash all the dolls, doll clothes, and dress-up clothes. As well, check for and repair as needed.
- Pick up any items to be washed or mended at the first housekeeping (curtains, dress-up clothes, etc.)
- Post notices in the school newsletter, and on the bulletin board of any clothes needed.
- Post contact information in Mail Room in case an emergency pickup is needed.
